About NSS Unit

B. K. Birla College (Autonomous), Kalyan

The NSS Units, B. K. Birla College continuously work efficiently and participate actively in most social activities and awareness programs. This year's activities were focused on plastic awareness, voter registration and awareness, cleanliness, and road safety. We participated in various training camps that were held on Local-level, District level, University Level, and State-level as well as National levels. Creating awareness among different students regarding depression, women empowerment, gender equality, and blood, and organ donation was at the front foot of our NSS Programmes this year. We conducted various activities and sessions under the guidance of our NSS Programme Officers Dr. Sandesh Jaybhaye, Dr. Sonali Zankar Patil, and Dr. Megha Devle Shirsath who showed us the difference between a student and an NSS volunteer. We thank them all for their support and guidance.

About Ignite'23

IGNITE is a culture for the NSS unit, B. K. Birla College, Kalyan. Our IGNITE motto is "The Spark Of Youth", which reflects our belief that every student can make a difference in their community. Our Volunteers have become the face of change. Every NSS Volunteer should feel the spark within when they contribute selfless service to society and its people.

In conjunction with IGNITE'23, a theme of nostalgia is chosen: "Ye Un Dino Ki Baat Hai."

We believe that memories are the best friend of people with emotions. Childhood has the essence of living without hesitation, without overthinking, and with a sense of fun, contentment, and self-satisfaction. Children never know how to manifest something for the sake of credit; they create every memory for their smile. Let's relive our memories and review our events:
