Title: Creating a culture of positive physical and mental health and team building through various Sports events on National, University and Intercollegiate level

Objective:

- To promote the outdoor sports amongst the student community and to keep them away from the screentime B. K. Birla College promotes several outdoor sports at College, University and Inter-university level.
- To develop the qualities of togetherness, leadership, cohesiveness, decision-making and the values of helping each other.
- To develop the mental and physical health of the students through the various intellectual and physical games.

Context:

Mental health includes our emotional, psychological, and social well-being. It affects how we think, feel, and act. It also helps determine how we handle stress, relate to others, and make choices.

Regular physical activity is one of the most important things that one should do for their better health. Being physically active can improve our brain health, help manage weight, reduce the risk of disease, strengthen bones and muscles, and improve our ability to do everyday activities.

Practice:

The College promotes sports activities amongst the students by various ways. The College has infrastructure for most of the indoor and outdoor games. These facilities are made available for the students during their zero hours. Any student who excels into any game is chosen to represent the College at the Inter-collegiate sports or Inter-collegiate tournaments.

The talent of the students in sports is also identified through the annual sports meet conducted every year in the month of December.

The College also conducts various kinds of tournaments at the Inter-collegiate, Inter-zonal and at Inter-university level on behalf of University of Mumbai.

The College also conducts annual sports meet (Krida Mahotsav) for Mumbai zone of Yashwantrao Chavan Maharashtra Open University (YCMOU), Nashik.

Many Inter-collegiate sports activities are also conducted on behalf of KDMC and Thane District Sports Officer at the College.

Evidence of the success:
